INVASION 2018

[Single Tickets](#) – [Now on Sale](#)

Aug 16-19

In this new and radical interpretation of the HG Wells classic, a Victorian time traveller transcends across the ages from 1900 to our own far future – from the fall of man to the end of the world – discovering the fate of our endeavours and uncovering our darkest fears. Can we change the future? Or has the end already begun?

A philosophical journey,
a nightmare adventure,
a cautionary tale –
this is the story of us all.

The Time Machine

Terrific... grips the imagination...
ideas spit off the narrative like
sparks from a welder's torch
