[AN EXCITING NEW CHAPTER FOR KANSAS CITY THEATRE](#)

Fishtank Theatre is teaming up with The Living Room Theatre to renovate and co-run The Black Box at 1060 Union Ave in The West Bottoms.

Now through April 5th, 2020, we're running a fundraising campaign to make this happen. Our goal is to raise at least \$25,000 as Theatre League has generously agreed to match every dollar up to that amount.

Help us keep quality, original theatre thriving in KC by making a tax-deductible donation of any size today!
