As the only burlesque show in Kansas City Fringe Festival 2018, Bohemian Cult Revival pays homage to the films of John Hughes.

Don't stay home alone! Whether you get there by plane, train or automobile, you don't want to miss this tribute to some of our favorite cult classics. This isn't the great outdoors, so dust off your shoulder pads, fan those bangs, and get pretty in pink while we bring you five nights of some kind of wonderful entertainment.

As always, Bohemian Cult Revival revels in bringing you something new and different each and every month with individual and collective performances.
