"The Voice From the Other Side," An Original Story of the Strange and Supernatural

The Cast of "The Voice From the Other Side" – Victor Raider-Wexler, Jerry Mañan, Kitty Corum, Coleman Crenshaw, and Walter Coppage

Kansas City Actors Radio Theatre premieres another original story this week with "The Voice From the Other Side," where the struggling writer of a 1940's family radio show is mystified when his episodes start being interrupted with strange dialog he didn't write. Desperate for answers, he searches for the source of the mysterious interjections. This exciting original story by Jerry Mañan and Kitty Corum is in the spirit of the classic "Suspense" Series and is part Orson Welles, part Twilight Zone!

Supporting KCAT and the CARES Act in 2021
Like any of the many non-profit arts organizations that have been impacted by the COVID-19 outbreak, KCAT needs your financial support if you're able to give it. What you may not know is that newly-passed government stimulus also extends the tax benefits of the CARES Act into 2021! When you donate any amount (up to \$300 in total donations for individuals, and up to \$600 for those filing jointly), you will be eligible to claim a deduction of equal amount in addition to the standard deduction. For our donors who itemize, there are even greater potential benefits. As always, please speak to your tax advisor for details. Thank you!
