

Local actor screens movie at Just Off Broadway Theatre

KC MeltingPot joinsTosin Morohunfola for a screening of his new film "On Sight".

KC Meltingpot Theatre, in association with Tosin Morohunfola presents a screening of "On Sight ". The film was written and directed by Tosin as a response to police brutality accounts that have populated the media in the last year and the implicit bias people bring to a situation, unknowingly. The story inspires conversation about the relationship between Police and Civilians, Duty versus Jurisdiction, the condemning power of Suspicion, and who pays the price.

This is a "pay what you can" event.
