Lyric Opera of Kansas City continues its 2019-2020 season with **Giacomo Puccini's timeless tale of love and loss, *La bohème***. An audience favorite for more than a century, this tale of four young Parisians who dedicate their lives to art and love blends bohemian rhapsodies with riveting romance in one of opera's quintessential tearjerkers.

Performances Nov. 9, 13, 15 and 17 at the Kauffman Center for

the Performing Arts, sung in Italian with English subtitles, transport the imagination into the cozy cafes, drafty dwellings and stately street scenes of 19th-century Paris.

“We are so pleased to produce Puccini’s perennial classic, *La bohème*,” says **General Director and CEO Deb Sandler**. “In what is perhaps the most beloved opera of all time, Puccini’s iconic score and soaring melodies sweep *us into the beauty and tragedy of a cold Parisian winter. We’ve assembled a youthful and talented cast whose performances will convey the soaring convictions and passions of the idealistic bohemians. The combined effect makes La bohème easy to love—and impossible to forget.* Bring a special person with you to be carried away.”

The production marks the Lyric Opera debuts of soprano **Sylvia D'Eramo** as Musetta, baritone **Timothy Renner** as Marcello and baritone **Hadleigh Adams** as Schaunard.

Returning to lead the cast are soprano and Lawrence, Kansas native **Raquel González** as Mimì (Tatiana in *Eugene Onegin*, 2017) and tenor **Georgy Vasiliev** as Rodolfo (Pinkerton in *Madama Butterfly*, 2018). Also returning are **Christian Zaremba** as Colline (Nourabad in *The Pearl Fishers*, 2019), Metropolitan Opera directing staff member **Kathleen Smith Belcher** as Stage Director (*Il trovatore*, 2012) and **David Charles Abell** as Conductor (*West Side Story*, 2018). Three things about *La bohème*:

1. When it first was performed in 1896, negative critical response appeared to contrast with the rapturous enthusiasm of the opera’s first audiences. One critic of the time settled the case this way: “Between the two litigants, I say that the public is right.”
2. During the early 1830s, Henri Murger created a series of

magazine sketches about the bohemian lifestyle, which he eventually adapted into a novel, *Scenes de la Vie de Bohème* (1848). Puccini used Murger's stories as the inspiration for his *La bohème*. Murger, in fact, lived the bohemian life in his youth, and many of the historical details in his work were based on his experiences.

3. *RENT*, a modern-day rock musical, was inspired by *La bohème*. The works share similarities in music, plot, lyrics and even some character names. For example, *La bohème* centers around a love story between Rodolfo and Mimì while *RENT* focuses on the love story of Roger and Mimi. *RENT* had its official Off-Broadway opening Jan. 25, 1996, one week shy of the 100th anniversary of the first performance of *La bohème*.

Overview of *La bohème*

Puccini's incandescent melodies, lush score, and a plot centered around young love and starving artists in Paris have proved to be an intoxicating combination for the romantic in all of us. We love the bright bohemian rhapsodies set against the tragic inevitability of Mimì's illness, and like Rodolfo and Mimì, we wait for spring and the rekindling of romance. Two new Kansas City favorites lead Lyric Opera's beguiling traditional production: Raquel González as Mimì and Georgy Vasiliev as Rodolfo.
