Supporting KCAT and the CARES Act in 2021
Like any of the many non-profit arts organizations that have been impacted by the COVID-19 outbreak, KCAT needs your financial support if you're able to give it. What you may not know is that the newly-passed government stimulus also extends the tax benefits of the CARES Act into 2021! When you donate any amount (up to \$300 in total donations for individuals, and up to \$600 for those filing jointly), you will be eligible to claim a deduction of equal amount in addition to the standard deduction. For our donors who itemize, there are even greater potential benefits. As always, please speak to your tax advisor for details. Thank you!
