

That's No Movie

The perfect "triple feature" for theatre lovers, film buffs and comedy fans!

Lights... camera... action! Whether you like Super-Hero Blockbusters, Disney Princesses, Spy Films, Space Operas, Slasher Flicks, RomComs, Hitchcock Thrillers, Pixar-style Heartwarmers, Asian Horror Movies, Nicholas Sparks Tearjerkers, Kids on Bikes Adventures, Classic Hollywood Musicals or Gal Pals Misadventures, this is the show for you!

That's No Movie performs **high-energy, fast-paced** improvised movies, using just their minds and bodies to create everything you'd see on a movie screen – the characters, props, sets, special effects, musical soundtracks, camera angles and more. They have performed at festivals and conventions **around the country**, including the Del Close Marathon in New York, the Chicago Improv Festival, the Chicago Nerd Comedy Festival, the Kansas City Improv Festival, the Omaha Improv Festival, Planet Comicon, O! Comic Con, Crypticon, TOPCON and many more.

Join them for the Kansas City debut of **That's No Movie's Improvised Film Festival**, where you'll have **VIP access** to the creation, production and premiere of **multiple movies across a wide variety of genres** – all in a one-hour Fringe show! Plus, just like a real film festival, you'll get to attend director talk-backs, red-carpet press events, paparazzi fights, activist protests and more!
